Candidate Speaks,  
Then Drops Dead

PINE BLUFF, Ark., Aug. 3. (Sp.)—Littleton T. Sallee, 62, county and probate clerk of Jefferson county, died at 5:30 last night shortly after making a speech at a political gathering at Jefferson Springs.

Mr. Sallee was unopposed for re-election but had just made a brief announcement and took his seat when he slumped forward and died of heart failure in 10 minutes, although Dr. Fred Howell endeavored to induce respiration. Mr. Sallee came here about 30 years ago from Covington, Ky., where he was born. He has been office holder in county for the past 20 years, was married and survived by his widow, two sons and four daughters.

CRYSTAL SPRINGS MAN  
HAS REAL SNAKE STORY

CRYSTAL SPRINGS, Miss., Aug. 3. (Sp.)—Charles Palmer, a young farmer living near here, had a harrowing experience with a big 10-foot water moccasin Friday while fishing in a creek, a splendid fishing place near here. Palmer was in the stream with his pants rolled above his knees, wading fish with his hands from out the creek bank as is very often done. He had caught a large string of fish and had them tied to his right arm while he explored the creek banks. He reached down into a fish net in the bank and drew himself up, but the snake, which was coiled around his right arm, had wrapped itself around his right leg and snatched one of the fish. He tried to pull it off, but the snake's mouth was firmly fixed on the fish. He tried to pull it off, but the snake's mouth was firmly fixed on the fish. COTTON CROP IMPROVES IN  
FAULKNER COUNTY, ARK.

CONWAY, Ark., Aug. 3. (Sp.)—Already assured of an average yield, Faulkner county may harvest a bumper cotton crop if weather conditions this month are as favorable as the July weather. Many fields are already dotted with green bolls, but young bolls will require the right kind of weather for the next 30 days to provide the increased yield. It is estimated that approximately one-third of the maximum crop depends upon the development of bolls late in maturing. Plenty of sunshine and the right amount of rain during July brightened the outlook for a big yield, and farm owners are optimistic as to the crop, except the price after baling. The downward tendency of the market has been a cause of much concern and is being closely watched.

## YARDMASTER RESIGNS.

PINE BLUFF, Ark., Aug. 3. (Sp.)—R. H. Latture, who for the past nine years has been general yardmaster for the Cotton Belt railway here, has resigned and will leave soon for Kansas City, Mo., where he will be yardmaster for the Union Pacific railway. He will be succeeded here by W. D. Baggett, present assistant yardmaster.

MOTHER AND SISTERS  
SEE TINY LAD KILLED

Jumping from his mother's lap and running from the front porch of his home, 504 Edith avenue, 6-year-old Chas. Whitney Pollard, son of H. T. Pollard, Monday night caught to the side of a neighbor's auto as it was backing out of the driveway. The child slipped and was crushed to instant death in front of his mother's eyes. Two sisters also sat beside their mother and saw the child meet death.

Funeral services were held Tuesday from the residence. Burial took place in New Bethlehem cemetery, south of the city.

The accident occurred shortly after 8 o'clock. The Pollard family had just finished dinner and all were sitting on the front porch of their home. When the machine passed over the boy's body, an older sister, Miss Maggie Pollard, ran to the scene but when the body was removed the child was dead. From the Pollard front porch to the driveway is about 150 feet.

The child's father has been ill. In addition to his parents the little boy is survived by four brothers, Homer, H. T. Jr., William, James, and two sisters, Maggie Mae and Martha.

47 PERSONS IN TRUCK  
FALL THROUGH BRIDGE

COLDWATER, Miss., Aug. 3. (Sp.)—A big lumber truck partly filled with hay and loaded with 47 young men from this place, smashed through a bridge three miles south of town as the party was returning from a picnic. Nobody was seriously hurt, but all of them were badly frightened, and some of them were thrown into the water, which was about knee deep. The party had been to come to a moonlight picnic. They had been walking along all the bridges considered dangerous, but this was the last bridge.

Eliminate poisons and congestion from stomach and bowels with Dr. Caldwell's Syrup Pepsin

THERE is no time of the year when people should be more careful of their diet than during the hot summer months, but unfortunately it is the season of greatest carelessness. Cold foods, ices, unripe and overripe fruits are soon followed by cramps, heartburn, indigestion, constipation. Do not wait until you have a splitting headache, but when you find yourself getting bilious and constipated, that very night take a teaspoonful of Egyptian Senna and Pepsin, which is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. By morning your bowels will be relieved and the congestion gone. Then be cautious at meal time for a few days and you will have no further trouble.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that has given it great public favor for thirty years. We know of many thousands of households that are never without a bottle. Mr. Eugene McKean of Mansfield, Pa., was very

PROBE MYSTERIOUS  
DEATH OF WOMAN

JASPER, Tenn., Aug. 3.—A coroner's jury is investigating the death of Mrs. James Davis, a well-to-do widow, who resided 15 miles north of South Pittsburg, and whose body was discovered in bed Sunday morning with her head blown off and the muzzle of a shotgun held to her face.

The right hand held a green switch, its notched end resting in the trigger guard of the gun. Absence of powder burns aroused suspicion of officers, as this fact indicates that the woman could not have killed herself by this method without leaving marks on her person. It was currently reported that Mrs. Davis kept a considerable sum of money on her farm, she having expressed a distrust of banks.
